

Ana Lorena Ortiz Loyola

Frankfurt am Main, Germany

☎ +49 176 62145797 • ✉ a01750283@tec.mx • [LinkedIn](#)

Data science student (Tecnológico de Monterrey, expected 2027) with a structured, detail-oriented working style demonstrated across research and data-quality projects, strong MS Office and Excel skills, and practical experience coordinating documentation and stakeholder communication during a data engineering internship at Deutsche Bundesbank (AnaCredit). Reliable, organized, and comfortable working independently on administrative and coordination tasks.

Core Competencies

- **Office & Organization:** Excel, Word, PowerPoint, structured documentation and reporting
- **Stakeholder Communication:** Coordinated automated reporting and direct communication with external parties (Deutsche Bundesbank AnaCredit)
- **Detail-Oriented Working Style:** Auditable, fully-documented work across all technical and research projects
- **Data & Programming:** Python, SQL, statistical analysis (supporting skill set beyond core administrative tasks)
- **Languages:** German (C1), English (C1)

Professional Experience

- **Deutsche Bundesbank (AnaCredit)** **Frankfurt am Main, Germany**
Data Engineer / Intern *04/2026–07/2026*
 - Developed automated migration tests and documentation to ensure identical business logic after data migration
 - Coordinated automated reporting and direct communication with reporting banks on detected data quality issues

Projects

- **Personal Project (GitHub), built with Claude Code**
Banking Data Pipeline – Data Cleaning & Audit Log 05/2026
 - Built a fully auditable data-cleaning log recording every change (table, column, old/new value, action, timestamp) for simulated bank transactions
 - Produced quality visualizations and a structured exception report
- **Tecnológico de Monterrey**
Predictive Modeling – Healthcare Optimization 10/2024–12/2024
 - Analyzed 25+ years of national health data and documented findings in structured visualizations
- **Tecnológico de Monterrey**
Lattice-Based Cryptography Research 10/2024–02/2025
 - Implemented and analyzed lattice-based cryptographic algorithms (LWE, NTRU) in Python; contributed to a scientific publication

Education

- **Tecnológico de Monterrey** Mexico
BSc in Data Science 2022–2027
Grade: 1.3 (Academic Excellence Scholarship; DAAD KOSPIE Scholarship). Topics: data analysis & statistics, cryptography & security.
- **Universität Göttingen** Germany
Exchange Semester 2025–2026

Languages

- German (C1), English (C1, TOEFL iBT 105/120), Spanish (native).

Publications

- Contributed to a scientific publication on lattice-based cryptography (LWE, NTRU security parameter and runtime analysis), with Prof. A. F. De Abiega L'Eglise, Tecnológico de Monterrey (citation pending publication).

Honors and Awards

- **Academic Excellence Scholarship** – Tecnológico de Monterrey.
- **DAAD KOSPIE Scholarship**.
- **National Physics Olympiad** – Mexico (2020).
- **Honorable Mention, Physics Olympiad** (2021).
